Sir,

I have the honor to state that one Mr Hadeda Sankapp Banappa deposited a sum of Rs 3,000/- in the Municipal Treasury and requested that the amount be utilised for the purpose of laying out a park in the Maidan lying to the south of the District Office Road and in front of the Municipal Offices & St Martha's Hospital

The southern side of the District Office Road now presents an untidy appearance and the question of improving it was engaging the attention of the Council but had been deferre for want of funds Keeping in view the donation offer by Mr Bannappa, the Municipal Engineer was requested to prepare an estimate for laying out the park and to put up a compound wall and generally to give a finish to this important road Municipal Engineer submitted an estimate for Rs 6,000/- for the formation of a park and putting up an ornamental compound wall The estimate was placed before the Council with a recommendation that the donation of Rs 3,000/- deposited by Mr Hudeda Bannappa may be accepted, the balance of Rs 3,000/- required for the work being met out of the Municipal Funds

The Council at their meeting held on 11-2-33 approve of the proposals A copy of my note, the resolution of the Council together with a copy of the estimate are herewith sent with a request that sanction of Govt may kindly be accorded to the

£ 1237
2 -

The Municipal portion of the cost Viz , Rs 3,000/- will be met out of the City Improvement allotment of Rs 75,000/- for 1933-34

I have the honor to be,

City Municipal Office,
Bangalore, dated 2 - 2 - 33

N o t e

The road running in front of the District Office, the Municipa Office and St Martha's Hospital is an important one and the -- Municipality have spent a considerable sum of money in tarring it and in providing kerbing and foot-path The foot path to the north of the road has now got a finish as the Public Works Department was persuaded to put up a neat compound wall from the Kempegowda Road Circle right up to the Municipal Office grounds The question of shifting the ugly drain in front of St Martha's Hospital to within the compound is also under correspondence with the Hospital authorities The other side of the road however still presents an untidy appearance as there is a suden fall from the level of the foot-path to the level of the acant ground. The London Mission School authorities were also persuaded to put up a compound wall up to the limit of their property and on their asking for permission to enclo with across wall the ground up to the first opening in the Arab wal the City Improvement Committee and the Council were pleased to gran the prayer The Mission authorities will soon be putting up a compound wall As already mentioned in my note dated 15th July 32 the foot path on that side has to be widened and a retaining wall constructed together with a low compound wall with slab on the top to give a finish to the footh path on that side It has been esti mated by the Municipal Engineer that whether we put a slab compound wall or a honey comb wall the otal cost to define the foot path and protect the Park or Playground from the road side will come to Rs 6,000/- Mr Hudeda Banappa a resident of Cubbonpet first deposited a sum of Rs 2,000/- towards this purpose and he subsequently raise it by an another thousand so that it may cover half the cost of the estimate. The City Improvement Committee resolved that a Park be laid out to the extent of the money deposited by him and that that portion be named after him The City Improvement Committee have t
option either to the Park being named after the donor or for

for a Park being laid out as suggested The question now is whether the Council should grant another sum of Rs 3,000/- and lay out the park completely and name the whole Park after Mr Hudeda Bannappa or whether the work should be left half finished I suggest that the Municipality do contribute a sum of Rs 3,000/- out of the savings for City Improvement Works and complete the Park and Compound Wall and give a finish to this important Road

2 We are aware how rarely people come forward with donations for City Improvement and the Council should do their best to encourage such donations not merely for their intrinsic value but for the value they will have as incentives for further donations Mr Hudeda Bannappa is a very good and charitably disposed person as the Council is aware and it is with a genuine wish to be of service to the whole population of Cubbonpet that he has come forward with this donation at some personal sacrifice I therefore recommend that the Council do accept this donation in a generous spirit and kindly accord their sanction to name the park after him

Municipal Commissioner

P Panna Rao, Esq, B , P I ,
Chief Secretary to the Government of

Sir,

With reference to our letter No L 4107 I 1 22-3-18 dated 15-12-1933 enquiring the source from which the amount of Rs 3,000/- required for the formation of the proposed putting up an ornamental compound in the maidan land to the south of the District Office Road will be met since the provision for City Improvement Works was reduced to Rs 45,500/- etc , I have the honour to state that this is one of the items of Works for which an additional grant of Rs 60,000/- was sanctioned by the Council to be met out of reserves Sanction of Government to this additional grant has been solicited in this office letter No G To 291 dated 7-3-1934

I therefore request that sanction of Government may kindly be accorded to the estimate In view of the urgent nature of the work, tenders are called for and work started in anticipation of sanction and is almost completed and the contractor is pressing for payment

I have the honour to be
